THE MEDIATION CENTER OF THE COASTAL EMPIRE

Raising Consciousness about Unconscious Bias

Sponsorship Packet

October 2, 2020
9 a.m. - 12 p.m.

WITH DIVERSITY AND INCLUSION EXPERT DEBRA NELSON
Unconscious Bias is more common than we recognize. It surfaces in behaviors, decision-making, and relationships, and can be a liability to individuals and organizations. The good news is that awareness can help preempt unintended behaviors and practices, leading to more positive work environments and relationships, as well as enhanced productivity among individuals and teams.
ABOUT THE TRAINING

Raising Consciousness about Unconscious Bias

will heighten awareness about the insidious nature of bias. Participants will gain awareness about implicit bias and themselves. They will also understand how deeply held beliefs and perspectives can impact the quality of relationships, decisions, behaviors, and actions at work.

Diversity and inclusion expert Debra Nelson will lead a virtual webinar to raise awareness to prevent bias from creeping into work and interpersonal relationships and to offer strategies to enhance professional and business success. Debra has developed and led training initiatives for Fortune 500 companies, universities, and nonprofit organizations.

Training to be held virtually on October 2, 2020, from 9 a.m. to 12 p.m. (EDT).
