

About Us

The Mediation Center was founded in 1986 to increase access to justice for citizens of the Coastal Empire by providing cost-effective alternatives to litigation. In the 35 years since the Center began operating, its programs have expanded and its physical footprint has grown larger in order to serve the increased alternative dispute resolution needs of the population. The Center is a designated 501(c)(3) non-profit organization, and it relies on volunteers, grant funding, and donations to sustain its operations. The annual Velvet Gala serves as the Center's primary source of private funding for each fiscal year.

“

Our mission is to harness the power of qualified volunteers, facilitate the process of citizens proactively managing conflict, provide alternatives to litigation, and increase access to justice.
