

2025 Peace in the Park Sponsorship Information

Daffin Park | September 28, 2025 | 1:00 PM – 4:00 PM

Peace in the Park is a free community event featuring live music, youth art, conversation circles, and a Peace Walk — all designed to uplift peace, connection, and dialogue in Savannah.

Now more than ever, as we witness global unrest and feel the impact of violence close to home, it's critical to support the Mediation Center of the Coastal Empire and the programs that educate, empower, and uplift youth, families, and neighborhoods.

The Mediation Center is the only nonprofit in our region solely dedicated to conflict resolution and restorative practices. Our programs are active in more than 35 schools across Coastal Georgia, equipping students with the tools to navigate conflicts, enrich relationships, and become leaders of peace.

Each year, the Mediation Center **reaches over 10,000 community members** through conflict resolution education and services, including **more than 5,000 students** engaged in peer mediation and positive peer influencer programs

Your support makes this reach and impact possible.

By investing in Peace in the Park, you are not just supporting a single event, you are helping to build safer schools, stronger families, and a more resilient Coastal Georgia.

Peace in the Park is a one-day celebration, but peace is a daily practice.
It starts with you. It starts with us.
