Capital Campaign

PARTNERSHIP OPPORTUNITIES

The Mediation Center's **\$100,000 Capital Campaign** seeks to purchase our office at 7505 Waters Avenue, Suite C-11 on Savannah's Southside to better serve our community with accessible offices, private mediation rooms and space to grow.

The Mediation Center's new permanent home is more than a building. It's an investment in our community, transforming lives and supporting peace across the region. For decades, we've operated out of leased space, facing constant uncertainty regarding if and when we might need to relocate. **Your gift has the power to change how we work and serve.**

The Mediation Center of the Coastal Empire

builds stronger, more resilient communities through mediation and family law services, youth initiatives, and community engagement programming.
